Europe's Cohesion**

Introducing:

Digital Innovation Hubs

As a channel to the regions

#EURegionsWeek

EUROPEAN WEEK OF
REGIONS & CITIES

2003 - 2022

**New Challenges for
Europe's Cohesion**

Key takeaways:

- 1. Artificial Intelligence is rapidly growing and will soon become ubiquitous and pervade our daily life**
- 2. There are multiple opportunities that small companies can get support with in AI Adoption through Open Calls such as BonsAPPs, I-ENERGY, StairwAI, AIPlan4EU, DIH4AI**
- 3. First steps towards a joint strategy from the ICT49 is to populate and enrich the «Regional Engagement – DIH» section of the AIoD portal**
