

THIRD OFFICIAL DISSEMINATION EVENT

# DIH4AI: ENHANCING TRUSTWORTHY AI AND THE AIOD ECOSYSTEM

Join this transformative event!

## ABOUT

Join us for a dynamic event focused on showcasing the remarkable achievements of the DIH4AI project and charting a course for the future. This gathering will bring together AI experts, practitioners, and stakeholders from diverse backgrounds to share their invaluable experiences of collaboration on Artificial Intelligence (AI).

DIH4AI has pioneered collaboration of Digital Innovation Hubs (DIHs) from different EU Regions on AI and the event will delve into their results and the European collaboration on Trustworthy AI, featuring insights from the ICT49 TAI Working Group. The event will provide an exclusive glimpse into the future outlook of the EU AIoD platform ecosystem, with the presentation of two of its new projects: AEQUITAS and CONVINCENCE EU. This event promises an enriching experience for all participants, offering a unique opportunity to witness the tangible impact of the DIH4AI project and engage with visionaries at the forefront of Trustworthy AI and the EU AIoD platform. Don't miss this chance to be part of the conversation that is shaping the future of AI collaboration in Europe.
